

Appraisal Institute of Canada
Institut canadien des évaluateurs

ELECT EDWARD SAXE, CRA

I have been a member of the Appraisal Institute of Canada since 1986 and obtained my CRA in 1992.

The AIC has provided me a profession in which I have earned respect as well as a good living.

I have run my own residential appraisal practice in Toronto since 1999 and this has afforded me the opportunity to give back to the Institute both on a provincial and national level. I was on the Ontario Board of Directors from 2005 through 2012 and was the President for two years between 2009 through 2011.

On the National level I was the chair of the CRA focus group, chair of the forms subcommittee and was the chair of the National Conference committee. I have been a member of the board of examiners since 2005 and a member of the Admissions and Accreditation committee since 2013.

I have always believed in communication and transparency between our boards, whether they be national or provincial and all of them serve. While President of Ontario I brought back the “President’s Message” and this was well received by all.

I would now like to represent Ontario on the National Board as a representative from Toronto as there are over 800 members in this chapter, we need representation around the national board table. I would like to be that representative, not just for Toronto, but for all of Ontario.

I AM ASKING FOR YOUR VOTE AS YOUR NATIONAL DIRECTOR.
